

Video Calls | Simple Process

MannBenham can now arrange video calls if you want to talk with an advocate from the security of your own home, without having to go out.

We have put in place measures so that all our advocates and conveyancers have mobile phones so that they can reassure and talk to you, and provide any guidance you need remotely by video link.

If you use **WhatsApp** then let us know and we will arrange a time convenient for you and we will call you back by video or phone.

We also have access to **Lifesize** which we can schedule calls for you remotely and easily, which you and your partner, or other parties can join in on using separate devices.

Contact Us

Firstly, drop us a line by telephone on 01624 639350, email at enquiries@mannbenham.com or visit our website at www.mannbenham.com.

Schedule a Callback

Tell us what the nature of your enquiry is about and your contact details.

We will then arrange with you a convenient time to contact you remotely.

Choose Contact Method

At the same time as scheduling a callback you need to let us know what method of contact, either by **WhatsApp** or **Lifesize**, and whether you would prefer video or voice only.

If you have **WhatsApp** we will contact you at the scheduled time using the format requested.

We will contact you

Lifesize

If you want to be contacted via **Lifesize**, and haven't already downloaded the App to your phone or portable device, we can send you an invitation to contact us at the pre-arrange time.
